## TOWN OF SHARON

### WARRANT COMMITTEE INTRODUCTION

In the past year, the State's fiscal problems have persisted as the leading economic indicators for our region have given little reason for optimism. The communities in the State are among the many casualties resulting from the economic downturn. State aid to cities and towns has been reduced once again. As a result, the Town's ability to fund necessary services and activities has been severely impacted.

The Selectmen, Department Heads, Commission Chairs, School Committee and Warrant Committee have done their best to present to Town Meeting a budget package that preserves as many Town services as possible given the existing fiscal constraints. Nevertheless, difficult choices had to be made based on certain priorities given to services provided by the Town.

Whether you agree or disagree with the budgets or recommendations made with respect to the articles in this Annual Warrant, we urge all citizens of Sharon to educate themselves on the issues and attend Town Meeting. In these difficult times, it is vitally important that decisions made at Town Meeting reflect consideration of all viewpoints and not be unduly influenced by special interests.

Please make your voice heard!

To see if the Town will vote to eliminate the job of the Executive Director of the Council on Aging.

HARRY NODDELL

WARRANT COMMITTEE RECOMMENDATION:

A professional director is able to refer social services, aggressively seek grants and coordinate volunteers. It is felt that with the cutbacks of State and Federal assistance programs, the Town should continue to provide its elders with this position and that of the Board.

ARTICLE 14

To see if the Town will vote to raise and appropriate a sum of money for the reconstructing and making extraordinary repairs to the roof at the high school, for asbestos removal in school buildings, and for the redesign and reconstruction of the recreational/athletic facilities at the schools for the School Department; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any other action relative thereto.

BOARD OF SELECTMEN

WARRANT COMMITTEE RECOMMENDATION:

This article authorizes the borrowing of \$750,000 towards improvements of School properties:

a) \$650,000 for replacement and improvements to the High School roof, which no longer can just be patched. Also there is a

possibility of 2/3 reimbursement from the State.

b) \$40,000 for renovations of the East Elementary parking lot and playground. With much cooperation with the DFW and other Town departments, this amount is much lower than previously estimated. Also with the new bus limitations this will create more waiting room for after school pick-ups and parking spaces.

c) \$35,000 for Cottage Street Elementary School playground renovations that for a few years now have been needed. Monies here too will be saved by the recycling of asphalt that is now to be re-used.

d) \$25,000\* for asbestos removal in school buildings.

\* If the above amounts are less, up to an additional \$25,000 more will be used towards asbestos removal which simply will bring down the amounts to be used in future years.

#### WARRANT COMMITTEE RECOMMENDATION:

Due to the lack of information on definitive State funding, the Warrant Committee has determined that it would be inappropriate to vote on this article at this time. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a Class A Pumper for the Fire Department; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any other action relative thereto.

BOARD OF SELECTMEN

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article authorizes the Town to borrow the funds to purchase a new Class A Pumper for the Fire Department. The existing pumper has incurred numerous repairs and requires expensive ongoing maintenance. Should the Town delay replacing the existing equipment, it may be faced with significant additional expenses and the length and height of a pumper will be changing. These changes will necessitate costly renovations to the existing fire station.

#### ARTICLE 21

To see if the Town will vote to amend Article 27 of the General By-Laws of the Town of Sharon, Underground Storage of Hazardous Materials and Regulated Substances by deleting said by-law in its entirety and substituting therefore the revised by-law in the form as filed with the Town Clerk.

The purposes of such revisions are generally:

- (1) to prohibit the installation of new underground tanks in the Water Resource Protection District;
- (2) to require, over time, the removal or replacement of underground tanks in the Water Resource Protection District; and
- (3) to make other text clarifications and corrections, or act in any way relating thereto.

#### BOARD OF SELECTMEN

#### WARRANT COMMITTEE RECOMMENDATION:

Acceptance of this article will allow the Town to begin a planned approach to further protecting the Town's water supply. This program will call for the removal of all underground storage tanks (UST) located in the Water Resource Protection District (WRPD) over a defined period of time, while financially assisting those residents affected by this program. This article will further protect the WRPD by banning future installations of a UST in the district. The projected cost of this program is substantially less than the cost of clean up would be, should there be contamination of the water supply.

The Warrant Committee recommends approval:      Vote:    6-0-0

#### ARTICLE 22

To see if the Town will vote to accept Section 4, Chapter 73 of the Acts of 1986, as amended by Chapter 126 of the Acts of 1988, which authorizes additional real estate exemptions be granted to persons who qualify for property tax exemptions under Clauses 17,

17C, 17C 1/2, 17D, 22, 22A, 22B, 22C, 22D, 22E, 37, 37A, 41, 41B and 41C of Section 5 of Chapter 59 in an amount equal to 100% or such lesser uniform percentage as approved by the Town, to be effective for the fiscal year beginning July 1, 1991 and ending June 30, 1992, or take any other action relative thereto.

VETERANS' AGENT

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article, in these times of declining financial resources available to the Town, will further reduce the amount of funds available to pay for services that the Town provides to its residents. It is the belief of the Warrant Committee that any and all all funds that are available to the Town must be preserved.

The Warrant Committee recommends indefinite postponement.

Or act in any way related thereto.

BOARD OF SELECTMEN

WARRANT COMMITTEE RECOMMENDATION:

Article 23 through 27 are in many cases a repeat of prior Town Meeting Articles enacted by this Town Meeting and submitted to the State Legislature. We had planned in the past, after the Town's passage of the articles, to request that the State Legislature enact

the special laws which would allow the Town to establish a number of revolving funds. Unfortunately, the Legislature found itself swamped with many requests to enact such local option special laws and the Legislature declined to pass many of them dealing with revolving funds. Instead, the Legislature passed one omnibus enabling statute which authorized the many towns and cities in the Commonwealth to establish revolving funds. But the new law was passed in a form which requires the Town to pass new votes to create the revolving funds desired. Your votes on the Articles will create the following revolving funds:

Article 23 - creates a revolving fund supporting a recycling program and the planting of shade trees. The fund will be created out of monies from the sale of recycled materials;

Article 24 - creates a revolving fund paying for the installation, rental and removal of street lights. This fund will be created out of monies paid for the installation, rental and removal of street lights;

Article 25 - creates a revolving fund paying for the disposal of special and hard to dispose of materials and items including batteries, tires and used motor oil. This fund will be created out of monies paid by residents for the disposal of materials;

Article 26 - creates a revolving fund supporting the maintenance and repair of street openings and cuts created by utilities, developers and the Town Water Division. This fund will be created out of funds paid by those utilities, developers and the Town Water Division.

To see if the Town will vote to amend Article 23 of the General

By-Laws of the Town of Sharon, WETLANDS PROTECTION, by adding the following new section as 2.7 to the Section 2 DEFINITIONS, as follows:

2.7 The Term "vernal pool habitat" shall mean confined basin depressions which, at least in most years hold water for a minimum of two continuous months during the spring and/or summer, which are free of adult fish populations and which provide essential breeding habitat for certain amphibians and/or food, shelter, migrating, and breeding habitat for other wildlife species, as well as the area within 100 feet of the mean annual boundaries of such depressions,

and by renumbering the current Section 2.7 as Section 2.8;

and by inserting the term "vernal pool habitat" after

- (1) the term "freshwater wetland" in Section 3.0;
- (2) after the word "wetlands" in the first paragraph of Section 3.2;

- (5) after the word "wetlands" in Section 5.0, or act in any way related thereto.

CONSERVATION COMMISSION

WARRANT COMMITTEE RECOMMENDATION:

The Warrant Committee feels that addition of "Vernal Pool Habitat" to the wetlands protection may result in a vehicle which may be applied in such a way as to stall development by special interest groups. This may also affect the private home owner in an unnecessarily restrictive manner.

ARTICLE 34

To see if the Town will vote to transfer the control and management of certain parcels of land to the Conservation Commission in accordance with Chapter 40, Section 8C of the Massachusetts General Laws as amended or act in anyway related thereto:

Parcel I. A parcel of land known as 35 Quincy Street, Assessor's Map 82 Lot #2 (1989), more particularly described in a deed in Book #1963, Page #160, excepting the rights and control of all dams and flume houses.

Parcel II. A parcel of land known as 276 N. Main Street, Assessor's Map 120, Lot #23 (1989), more particularly described in a deed in Book #3934, Page #215.

Parcel III. A parcel of land known as 1 Hixon Farm Road, Assessor's Map 121, Lot #14-1 (1989), more particularly described in a deed in Book #5309, Page #526. This parcel was conveyed back to the Town from the Housing Authority by Article #35 of the 1976 Annual Town Meeting.

All of the above parcels of land are owned by the Town of Sharon. Parcel I is an 8.35 acre parcel of land that was given to the Town by the Plymouth Rubber Company in 1932. That deed also includes all water rights to Lake Massapoag, the dam and flume house. These water rights will not be transferred to the Conservation Commission. This parcel of land also contains the first section of the Massapoag Trail. The Conservation Commission is responsible for maintaining this trail. The parcel also includes the land surrounding Hammershop Pond on Ames Street.

Parcel II is a 2 acre parcel of land on the north side of N. Main Street that was bought by the Town in 1961 from Karl Bertram and Anna Wheeler. Town Reports indicate that this parcel was bought using money appropriated by Town Meeting to the Conservation Commission for purchasing land in the Massapoag Brook Wetlands. There were many purchases and gifts to the Conservation Commission during 1961. Records indicate that language in the deed transferring control and management to the Conservation Commission was inadvertently left out.

Parcel III is an 11+ acre parcel of land that was conveyed back to the Town from the Housing Authority in 1976-77. As the Massapoag Trail now ends at this site it is appropriate that the Conservation Commission have legal control and management of this land.

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article would allow the Town to accept Chapter 473 of the Acts of 1990. This statute would increase the stipend that the Town Clerk receives for service on the Board of Registrars from \$50 to \$100 per thousand registered voters. The Town currently has approximately 10,000 registered voters. This is the first stipend increase in 24 years.

The Warrant Committee recommends approval. Vote: 9-0-0

ARTICLE 36

To see if the Town will vote to approve the amount of \$800,000.00 debt authorized by vote of the Southeastern Regional School District Committee adopted on January 22, 1991, for the purpose of financing costs of reconstructing and making extraordinary repairs to the roof of the Southeastern Regional School, including costs incidental and related thereto, or take any other action related thereto.

SOUTHEASTERN REGIONAL SCHOOL DISTRICT

WARRANT COMMITTEE RECOMMENDATION:

The annual debt service on the five year bond to finance the roofing project will be divided proportionally based on the number of students attending Southeastern Regional Technical School from each of the nine cities and towns in the district. The current portion for Sharon is 1.75%. This translates to a cost of \$4,113 for FY92.

The Warrant Committee recommends approval. Vote: 9-0-0

ARTICLE 37

To see if the Town of Sharon will vote to accept an Equal Educational Opportunity Grant for the Southeastern Regional School District for fiscal year 1992, under the provisions of G. L. Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985. Said grant shall be expended by the district school committee for direct service expenditures with funds provided solely by the Commonwealth, or take any other action relative thereto.

SOUTHEASTERN REGIONAL SCHOOL DISTRICT

WARRANT COMMITTEE RECOMMENDATION:

The monies for this grant come from the State and are then transferred to the Southeastern Regional School District for services rendered. If, for any reason, there are no State funds forthcoming, there would be no financial liability on the part of the Town.

The Warrant Committee recommends approval. Vote: 9-0-0

\*\*\*\*\*

ARTICLE 38

To see if the Town will vote to accept the provisions of Chapter 291 of the Acts of 1990, thereby allowing the Town to receive enhanced 911 service as defined in said Act and, if acceptance and notification to the Secretary of the Commonwealth of said acceptance occur on or before December 11, 1991, the Town will also receive, at no cost to it, the benefits of enhanced 911 network features and network components, including at least one public safety answering point, and any other enhanced 911 network features that may be made available by the statewide emergency telecommunications board, or take any other action related thereto.

BOARD OF SELECTMEN

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article will allow the Town the option, in the future, to participate in the Enhanced 911 service, at no initial cost. Should the Town opt not to accept this article now and in the future elect to participate in the Enhanced 911 service, there will be a start up fee.

The Warrant Committee recommends approval. Vote: 9-0-0

ARTICLE 39

To see if the Town will vote to amend the existing Town By-Laws by eliminating the current Article 2 entitled, "WARRANT COMMITTEE" and by replacing it with a new Article 2, entitled "FINANCE COMMITTEE."

Section 1: It shall be the duty of the Moderator to present to the voters for approval or other appropriate action at each Annual Town Meeting the names of five voters who will act as a nominating

committee for filling expiring terms and vacancies on the Finance Committee during the ensuing year. At the next Annual Town Meeting after being so constituted, the Nominating Committee shall present to the voters for approval or other appropriate action its nominees to fill some or all of the expiring terms and vacancies on the Finance Committee. The Moderator may fill any vacancy on the Nominating Committee created by the resignation of a member prior to the expiration of his or her term.

The Finance Committee shall consist of not less than six (6) and not more than twelve (12) registered voters of the town. Members of the Finance Committee shall serve staggered three-year terms such that the terms of approximately one-third of the members shall expire after each Annual Town Meeting.

Section 2: The Finance Committee shall meet at the call of the Town Clerk within two weeks after each Annual Town Meeting for purposes of organization and the election of a Chairperson, Vice-Chairperson or persons and a clerk. In the event the Town Clerk fails to issue the call, any member of the Finance Committee may do so. The Committee shall meet thereafter from time to time, as it deems advisable, and shall keep a true record of all proceedings. The Finance Committee shall have the power to fill vacancies on the Committee by vote, an attested copy of which shall be sent by the Clerk of the Committee to the Town Clerk. Any member so appointed by the Committee shall serve thereon until the next Annual Town Meeting.

Section 3: It shall be the duty of the Finance Committee to inform itself as to the affairs and interests of the Town, which include, but are not limited to, the subject matter of the warrants for the town meetings. Upon request of the Finance Committee, officers of the Town shall furnish the Committee with facts, figures and any other information pertaining to their several departments.

Section 4: The Finance Committee shall consider the various articles in the warrant for all town meetings (including, with respect to each member of the Committee, the articles in the warrant for the Annual Town Meeting after which such member's term expires) and shall report in print prior to all such town meetings the Committee's estimates and recommendations for the action of the Town together with the Committee's reasons therefor. The Committee shall cause such report to be mailed or otherwise delivered to every residence at least seven (7) days before each town meeting.

Section 5: It shall be the duty of the Town Clerk to immediately notify in writing persons elected or appointed to the Finance Committee pursuant to the above provisions, such notice to state the business upon which members of the Committee are to act.

Or act in any way relating thereto.

#### WARRANT COMMITTEE

**WARRANT COMMITTEE RECOMMENDATION:**

Passage of this article will change the name of the Warrant Committee to properly reflect the majority of the Committee's duties: departmental budget review and responsibility for the Reserve Fund account. This article will also establish minimum and maximum numbers of members for the Committee. The duties of the Committee will not be changed by this article only the name and an updating of the language in the Town by-laws.

The Warrant Committee recommends approval. Vote: 9-0-0

**ARTICLE 40**

To see if the Town will vote to amend the existing General By-Laws of the Town of Sharon by adding thereto the following new Article 33, Town Facilities Planning Committee, as follows:

Section 1. There is hereby established within the Town of Sharon a committee to be known as the Town Facilities Planning Committee, to be made up of seven members as follows: one member to be chosen by the Sharon School Committee, which person may be a member of such committee; one member to be chosen by the Sharon Board of Selectmen, which person may be a member of such Board; one member to be chosen by the Planning Board, which person may be a member of such Board, the Superintendent of Public Works or his designee; one member of the Capital Outlay Committee, which person may be a member of such committee; and two members at large to be chosen by the Moderator all for terms of three years except that the original term of appointment for the appointees of the Planning Board shall be for one year and the moderator's appointees shall be for two years.

Section 2. The duties of the Committee will be to assume responsibility for reviewing and planning the program of construction, maintenance, or disposal of Town buildings.

Section 3. The Committee shall make any proposal it deems advisable or review any proposal made by others, including the cost thereof, for the design, construction, remodeling, renovation, repair, addition to or modification of a town building structure or other facility including site selection or acquisition, for which a specific article with respect to such proposal is to be presented at a Town Meeting. Any proposal made by others shall be presented to the Committee for its consideration at least ninety (90) days prior to the Town Meeting at which a specific article is to be presented, and the Committee shall make its report and recommendations to such Town Meeting which recommendation shall be included in the Town Warrant. The Committee shall hold a public hearing prior to the issuance of its report at which time the recommendations of the

Conservation Commission and Historic Districts Commission shall be recorded, along with recommendations of the School Committee, Selectmen, and Planning Board and other interested citizens.

Section 4. The Committee shall, subject always to contrary provisions of the general law, have the authority to enter into contracts and to exercise general supervision over any matter concerning an existing or proposed Town building, other structure or facility as specifically authorized by Town Meeting, provided, however, that the School Committee, in the case of School buildings, or the Selectmen, for other non-school buildings or structures, may appoint not more than three other residents of the Town as special members of the Committee whose authority shall be limited to such matter and whose term or terms of appointment shall expire upon completion of such matter. The foregoing provision notwithstanding, nothing contained herein shall be deemed to remove from either the School Committee, Conservation Commission, or Board of Trustees of the Sharon Public Library the statutory authority which each may have over buildings, land, or other facilities under their respective jurisdiction.

Section 5. Through periodic inspections as may be necessary to provide for proper maintenance, the Committee is to determine the condition of all buildings and structures which the Town has the legal duty or obligation to maintain and to make such recommendations to the proper authority as it deemed necessary.

Section 6. The Committee shall file an annual report of its activities in accordance with these by-laws.

Or act in any way relating thereto.

BOARD OF SELECTMEN

WARRANT COMMITTEE RECOMMENDATION:

This article seeks to establish a committee to review Town facilities. The Warrant Committee feels it would be difficult for a single committee to review the renovation, modification and disposition of all Town facilities. This was referred to the Government Study Committee at last year's Town Meeting and is currently on their agenda.

The Warrant Committee recommends indefinite postponement. Vote: 7-1-1

\*\*\*\*\*

ARTICLE 41

To see if the Town will vote to amend Article 17, Section 2 of the General By-Laws as follows:

1. By striking out the second and third sentences reading: "No person shall permit a dog owned or kept by him beyond the confines of the property of the owner or keeper unless the dog is held firmly on a leash or is under the control of its owner, keeper or his agent. As used in this Section, the term "control" shall include, but shall not be limited to, oral or visual commands to which the dog is obedient," and

2. By creating a new Section 2A reading as follows:  
Section 2A. Mandatory Leash Law: No person shall permit a dog owned or kept by him beyond the confines of the property of the owner or keeper unless the dog is held firmly on a leash or is under the control of its owner, keeper or its agent. As used in this section the term "control" shall include but not be limited to oral or visual commands to which the dog is obedient. Dogs running at large and not under restraint will be caught and confined for a period of up to ten days, and the owner or keeper will be forthwith notified. Said dogs shall not be released to that owner or keeper until a pick-up charge of ten dollars (\$10.00) shall have been paid to the Town of Sharon for services rendered in addition to a boarding fee of \$5.00 per day for the care and keep of each dog impounded.

Or act in any way relating thereto.

#### ANIMAL CONTROL OFFICER

#### WARRANT COMMITTEE RECOMMENDATION:

Passage of this article will allow the Town to collect a fee for the necessary service provided in picking up lost and stray domestic animals. Presently these services are being provided without the ability to assess this pick up fee.

The Warrant Committee recommends approval. Vote: 9-0-0

\*\*\*\*\*

#### ARTICLE 42

To see if the Town will vote to authorize and direct the Town Treasurer, pursuant to the provisions of section fifty-three A of Chapter Forty-four of the Massachusetts General Laws, to establish as a separate account, an animal assistance fund to which shall be deposited all gifts, grants, contributions and other monies received by the animal control officer, or by any other town officer or employee, for the purpose of such fund. The Animal Assistance Fund may be expended by the Animal Control Officer, with the approval of the Board of Selectmen, for any of the following purposes: for programs designed to educate the public in any matter relating to the prevention of cruelty to animals; programs designed to educate the public in any matter relating to the proper care of family pets and other animals; to provide emergency care and shelter for injured

animals; to provide assistance for spaying, or neutering, or otherwise depriving animals of the power of procreation; or act in any way relating thereto.

ANIMAL CONTROL OFFICER

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article will allow the Town to accept donations for the purposes indicated in the article.

The Warrant Committee recommends approval. Vote: 9-0-0

\*\*\*\*\*

ARTICLE 43

To see if the Town will vote, pursuant to the provisions of Section 4A of Chapter 40 of the Massachusetts General Laws, to authorize the Animal Control Officer, with the approval of the Board of Selectmen, to enter into an agreement with the Town of Canton, acting by and through its Dog Officer under which the Canton Dog Officer will provide, at the Canton animal pound, for the custody and care of animals which have come under the jurisdiction of the Sharon Animal Control Officer, said agreement shall further provide for a fee to be paid by the Town of Sharon which will cover all costs incurred in providing such care, and to enter into similar agreement or agreements with such other Town or Towns or cities and upon such further terms and conditions as the Sharon Animal Control Officer deems appropriate with the approval of the Board of Selectmen.

Or act in any way relating thereto.

ANIMAL CONTROL OFFICER

WARRANT COMMITTEE RECOMMENDATION:

Passage of this article will allow the Town to enter into an agreement with the Town of Canton to provide kenneling services for the stray domestic animals that are "picked-up" by the Animal Control Officer. The Town of Sharon is only liable for those fees agreed upon between the two towns.

The Warrant Committee recommends approval. Vote: 9-0-0

\*\*\*\*\*

ARTICLE 44

To see if the Town will vote to amend Article 17, Section 1 of the General By-laws as follows, or act in any way relating thereto:

1. By striking out Section 1 in its entirety and replacing it with:

"Licenses shall be required in accordance with Massachusetts General Laws, Chapter 140, Section 139. The annual fee for every dog license, except as otherwise provided by the law, shall be \$15 for a male dog and \$15 for a female dog, unless a certificate of registered veterinarian has been shown to the Town Clerk indicating that such male or female dog has been spayed or neutered, in which case the fees shall be \$10."

ANIMAL CONTROL OFFICER

**WARRANT COMMITTEE RECOMMENDATION:**

Passage of this article will allow the Town to charge a dog license fee for spayed or neutered dogs regardless of the sex of the dog.

The Warrant Committee recommends approval. Vote: 8-1-0

\*\*\*\*\*

**ARTICLE 45**

To see if the Town will vote to Amend Article 32 of the General By-Laws of the Town of Sharon, in Section 2 ("Building Permits and Fees"), paragraph 2.2 ("Non-Residential Construction"), by changing the period after "school structures" to a comma and inserting thereafter: "provided, however, that for non-profit tax-exempt schools, houses of religious worship or buildings accessory thereto, the maximum fee shall be \$500.00."

Or act in any way relating thereto.

COLLEEN TUCK

**WARRANT COMMITTEE RECOMMENDATION:**

The Warrant Committee determined by a split vote of 5 to 4 to recommend indefinite postponement of this Article. The Committee felt that, although charitable institutions are entitled to consideration and deferment in many cases, those same institutions do receive some Town services not only in connection with the building permits but also general Town services such as Police and Fire for which they are not obliged to pay taxes. Because of these dual considerations, the Committee felt it was inappropriate to limit the fee structure.

The Warrant Committee recommends indefinite postponement.
